THE LEAFLETS HAVE LANDED...

“For the past 20 years our borough has been run by a directly-elected mayor.

Now, we can change the system.

Under a modern committee system, we will have a more transparent, more democratic process where your councillors will be making the decisions.

Not just the mayor.

Your councillors will be accountable to you.”

If you can help us leaflet Newham residents, get in touch with us by email to

newhamvotingforchange@gmail.com or text

Josephine on 07906 673 609.

How to support the campaign

- Donate to our Crowdfunder at <https://www.crowdfunder.co.uk/newham-for-change> or email newhamvotingforchange@gmail.com if you want to donate directly. We're raising money for a video and if we have enough we'll also spend the money on campaign materials like leaflets and posters.
- Join our 'Digital Army' WhatsApp Group at <https://chat.whatsapp.com/HWRZE4AoQfGJ4FwpMXA04C> and follow us on social media
- **TALK to your friends, relations, work colleagues and neighbours! Get the word out that the referendum is coming up – and a #VoteForChange is a vote for a fairer, more open system.**

Will the pro-Mayoral campaign please stand up?

Newham voters may have noticed that while Newham Voting for Change, the Newham Lib Dems, the Newham Green Party AND the Newham Conservatives are all in favour of the committee structure, there doesn't currently seem to be a campaign in favour of the Mayoral system. If you're out there, do get in touch – we'd love to debate the issues with you!
